INTAKE PLAN

Self-Identified Abilities and Aptitudes: Patty stated she feels comfortable asking questions while working if she does not understand the task.

1. SPECIFIC SERVICE OBJECTIVES

Job Coaching Activities

Anticipated Date of Completion: 02/28/24

1. Objective #1: Participant will complete work tasks independently.
Describe activities and services that will be provided for meeting this objective: Vendor Representative will work with Patty at job site by demonstrating the job tasks (i.e. greeting customers, using the work computer to sign in and input new customer's information, etc.) multiple times until Patty is comfortable with carrying out these work tasks independently. Vendor Representative and Patty will also simplify the written instructions of the work tasks, so Patty can retain the training.
Describe skills and techniques to be learned for meeting this objective: Patty will be self sufficient with the work tasks without being prompted or having assistance from job coach.
2. Objective #2: Participant will successfully complete work tasks
Describe activities and services that will be provided for meeting this objective: Vendor Representative and Patty will practice work related task like inputting data into company's database, greeting customers, etc. Patty and Vendor Representative will practice appropriate greetings and interactions with customers and co-workers through role playing. Vendor Representative will re-direct Patty when working with customers to successfully carry out the work tasks.
Describe skills and techniques to be learned for meeting this objective: Patty will be able to successfully complete all job related tasks.
3. Objective #3: _____
Describe activities and services that will be provided for meeting this objective: _____
Describe skills and techniques to be learned for meeting this objective: _____
4. Objective #4: _____
Describe activities and services that will be provided for meeting this objective: _____
Describe skills and techniques to be learned for meeting this objective: _____
5. Objective #5: _____
Describe activities and services that will be provided for meeting this objective: _____
Describe skills and techniques to be learned for meeting this objective: _____

2. OUTCOME OF THE INTAKE PLANNING MEETING
