

Duplicate Bid Submissions

The State of Ohio MSP Team reviews all duplicate bid submissions in dotStaff.

If a candidate is submitted to the same job posting by multiple vendors and only one bid is accompanied by a right to represent: The bid containing the right to represent is accepted for client review, and the bid(s) without a right to represent will be rejected.

If a candidate is submitted to the same job posting by multiple vendors and multiple bids are accompanied by a right to represent: the first submission with a valid right to represent (containing all required information) is accepted for client review and the other bids will be rejected.
